CRIMINAL HISTORY CONSENT

- A. The Youthbuild/AmeriCorps member authorizes the program to perform a criminal history check to determine if he/she meets the eligibility requirements of CNCS and the program for this AmeriCorps position. The information reviewed from this check will include but not be limited to allegations and convictions for crimes committed and will be gathered to the extent permitted by state and federal law. The results of these checks will be kept confidential and in a secure location. The member will have an opportunity to review and challenge the factual accuracy of the report before action is taken to exclude him/her from the position.

- B. This criminal history check will consist of the following:
 - A check of the Missouri State Highway Patrol for the state of Missouri and, if different, for the state in which I reside/resided at the time of application.
 - A National Sex Offender Public Website (NSOPW) check and
 - A fingerprint-based FBI records check.

- C. As an applicant for an AmeriCorps member position, the member understands and acknowledges that acceptance as an AmeriCorps member is contingent upon the organization's review of one's criminal history and that **refusal** to consent to the above checks makes the member ineligible to serve. In addition:
 - Anyone listed or required to be listed on a sex offender registry/website is ineligible to serve.
 - Anyone convicted of murder is ineligible to serve.

- D. Lastly, the member understands that while waiting for the results of the criminal history checks, he/she is not permitted to be unsupervised on service sites.
